EBERST WEALTH ACADEMY

The same life. A different price.

Retirement foundations · Lesson takeaway

The idea to keep

A dollar amount and a standard of living are different planning targets. Inflation connects the two.

Check your understanding

Does the published CPI describe your exact household inflation?

CPI describes a defined basket. Your actual spending, location and circumstances can produce a different experience.

Bring the idea into your life

Which assumption or uncertainty matters most in my circumstances?

What would I like to ask Bruce before making a decision?
